

Summer Camp Themes 2026 (Full Day) ages 5-16

Our full-day camp (8:45am–4:00pm) is thoughtfully designed to keep kids moving, creating, and having a blast all day long! Mornings are filled with gymnastics, followed by crafts and theme-based activities in the afternoon and we wrap up the day with one more hour of gymnastics. Our coaches love this schedule because “the day just flies by!” Each week blends Fantasy, STEM, History, Creativity, and pure FUN.

Our older and more advanced gymnasts may choose to do gymnastics, the activity, or both in the afternoon:).
